

# Accessing the Student Portal (VLE)

Bromcom's Student Portal is an online resource that brings together a student's school information that can be accessed on any web-enabled device.

The Student Portal enables real-time communication between students and teachers. By using the Student Portal, students have access to their timetable, attendance, behaviour events, school reports, exam entries, exam timetables (including seating arrangements) and exam results.

It is important that students log into the Student Portal regularly to check for any important school announcements.

There is also a dedicated smartphone app which provides the added convenience of allowing Student Portal access on Android and iPhones.

- **Select 'Login with Microsoft Account'**
- **Username is the student's school email address:**  
e.g. [14AStudent@students.stratfordschool.co.uk](mailto:14AStudent@students.stratfordschool.co.uk)
- **Password is the same password used to access the school network systems.**

## Important

If students experience issues logging on to the school network in order to access the Student Portal, they should email:

The screenshot shows the Student Portal login interface. At the top, there are two red stick figures and the text 'Student Portal'. Below this is a blue bar with 'STUDENT LOGIN'. The main form contains three input fields: 'School ID' with a keyboard icon, 'Username' with a person icon, and 'Password' with a lock icon. There is a checkbox for 'Remember School ID and Username' and two links: 'Forgotten Login Details?' and 'Redeem Invitation Code?'. A blue 'Login' button is positioned below the form. Underneath the button, it says 'Single Sign-On Providers' and lists two options: 'Login with Google Account' and 'Login with Microsoft Account'. At the bottom, the version number 'v5.2020.8490.33791' and 'Powered by Bromcom' are displayed.
