## Maxine Douglass

<b>Governor Role:</b>	Staff Governor
<b>Committee Membership:</b>	Resources Committee
<b>Link Role:</b>	Internal Audit
<b>Term Commenced:</b>	22 May 2023

### Professional Background

A career in education and finance sectors has provided me with a wealth of experience to draw upon to support my role as staff governor. Key responsibilities include: business administration management; development of compliance frameworks; management of country wide teams to implement marketing strategies; planning and delivery of large scale events; train and develop staff to nurture best practice in order to provide consistent, effective support in highly regulated environments. I have also a wide experience of school governance having previously supported a primary school as a parent governor and chair of the governing body.

### Governor Priorities/Aims

My priority is to ensure the best possible outcomes for all students by challenging strategic decisions and processes. Alongside this, to support the development of school and its staff via the allocation of resources and opportunities to facilitate an excellent and innovative educational experience for all to thrive and flourish in.
