### Professional Background

I am a Registered Adult Nurse currently working as a Consultant Nurse for Youth & Transition at University Hospitals Birmingham NHS Trust. After 20 years of caring within Teenage and Young Adult Cancer Services, I now focus on the experiences of young people aged 13-24 years with long term conditions, moving from a paediatric to adult care settings across the Organisation. I am passionate about young people's health and the inequalities they face and sit on the Advisory Council for the Association of Young Peoples Health. I have recently completed a Masters in Clinical Research at the University of Birmingham. Proud Florence Nightingale Foundation Leadership Programme Alumni (2015).
