

To help keep your child and fellow student's safe, your child should not come to school if:

- **They are feeling unwell or are experiencing any coronavirus symptoms (If in doubt, book a test. If positive, isolate for 10 days from start of symptoms)**
- **They have tested positive for coronavirus and are within the 10 day isolation period**
- **They are sharing a household or support bubble with someone with symptoms (person with symptoms to be tested, if negative can return to usual activities; if positive, you must isolate for 14 days from last contact)**
- **They have been advised by the NHS test and trace service to self-isolate or aware they are a close contact of someone who has tested positive for coronavirus (isolate for 14 days from last contact)**
- **They have returned from abroad and government guidance states they need to quarantine for 14 days**

If you are not sure if your child should or should not go to school please call your school reception.
