

**Mark Richardson**

Director and Resources Committee Member

Mark currently works as a retail consultant focusing on strategic transformation projects (with a particular focus on digital retail). Prior to this he worked for many years in senior head office roles in buying & merchandising.

Having lived in London and been a school governor there, he is very keen to continue supporting education in the Stratford upon Avon community and be able to use his professional skills to do this.

Mark currently sits on the Resources committee and is the Link Governor for the Environment.
