

Dear Student

Summer 2020 Results – Thursday 20 August 2020

We are experiencing unprecedented times resulting from the Covid-19 pandemic. The impact of this is far reaching and for you has meant the cancellation of summer exams. While this is certainly unusual we are able to confirm that the national issue of GCSE and Level 2 vocational qualification results will take place on Thursday 20 August 2020 as originally planned by awarding bodies.

There is still much uncertainty as to how social distancing will impact on our lives going forward therefore, to ensure safety for you and our staff, we have made the decision to issue results online. We have always valued the face to face process we usually follow to issue results so we are disappointed that this is not going to be possible this year.

BromcomVLE

In order to be prepared for an online issue of results, we require students to have access to your personal BromcomVLE account (NOT your parents/carers MCAS account). This is so we are able to share your results directly and securely with you.

A reminder of your BromcomVLE log in details has been sent to your school email account.

You can access your school email account via the school online portal. Remember your school email address is your usual school network login followed by @students.stratfordschool.co.uk, and your password is your normal school network password. The link to log into the portal is <http://portal.office.com>

If you require assistance to access your student email account, please email helpdesk@stratfordschool.co.uk

It is essential that you have accessed your school email and BromcomVLE accounts prior to 7 July so that any access issues can be resolved before the end of the school year. It is important you log in to BromcomVLE as requested to avoid any delay in receiving your results.

Going forward, all information concerning results day will be communicated to you directly to your school email account so please refer to this regularly for updates.

Thank you for your patience and understanding, it is greatly appreciated.

Kind regards

Mrs M Douglass
Examinations Officer
