Dear Parent / Carer

## **Re: Year 12 InvestIn Work Experience Opportunities and Bursaries**

I am writing to inform you that Stratford Upon Avon School has become an InvestIn Partner School which means Year 12 students now have access to career experiences in **28 different industries** as well as access to a state-of-the-art tech platform – Ambition X and the school can also offer 9 bursaries which can be used to pay for a career experience.

### **What is the InvestIn career programme?**

InvestIn deliver immersive career experiences across 28 different industries, from the ever-popular Medicine and Law through to more up and coming industries like Environmentalism and Sports Professionalism. These are available in both a live online or in-person format, in a number of locations across the UK and range from 1 to 15 days in length throughout the year. Students also gain a certificate of attendance, which are widely recognised and help boost CVs and UCAS applications. When they register, students are now invited to join the state-of-the-art tech platform, AmbitionX, so they can really enhance their future prospects by experiencing an unlimited number of live online programmes and masterclasses, tracking their progress as they go.

### **How to register?**

You can register your child for any programme by visiting the website, [www.investin.org](http://www.investin.org). Your child can benefit from 10% off any career opportunities by inserting the school's unique Partner School discount code STRATFORD10 at registration.

If your child is in receipt of any financial support, InvestIn also offer **bursaries** for eligible students to attend live online programmes free of charge. For more information on the bursaries please visit [Bursaries | InvestIN](#)

### **Support for parents & guardians**

InvestIN is dedicated to supporting parents to help young people make the right career decisions for them. On the InvestIN website, you can find a range of careers resources, including blog posts, competitions and free events for parents, so that you can keep the conversation going at home. We also offer our Partner Schools access to complimentary employability skills workshops, featuring follow-up resources for both students and parents. For more information, you can reach out to InvestIn via [info@investin.org](mailto:info@investin.org) for all general enquiries.

Yours faithfully

Mrs S Miles
