Enrichments

In addition to your A level subjects, you must choose one enrichment. Full details about the enrichment options are available on our website www.stratforduponavonschool.com on the subjects offered page <https://bit.ly/3dQiOx2>

The only enrichment with entry requirements is Mathematical Studies, as detailed below.

Mathematical Studies
(AS level, 1 year course)

To support Science & Social Science, entry to be agreed in discussion with school (grade 4/5 in Mathematics will be required)

Subject Choices

Before completing your subject choices, please refer to the specific grade requirements for each course. Then write four choices in order of preference in the section below. Course groupings will be made after the Feb 1st deadline. Please note we will try to facilitate all subject choices, however we will contact you should your course combination not fit the timetabling available, it is therefore important to consider your reserve choices carefully.

Science, Maths & Technology	Social Sciences	Humanities	Arts	Enrichment
Architecture (Design, Engineer, Construct)	Business Studies*	English Language	Art (Fine Art)	Duke of Edinburgh
Applied Science*	Criminology	English Literature	Dance	EPQ (Extended Project)
Biology	Economics	Geography*	Drama	Mathematical Studies (AS level)
Chemistry	Physical Education	History	Photography	Sport & Leisure
Further Mathematics	Psychology*	Media Studies		
Mathematics	Sociology			Young Enterprise
Physics				

*These subjects may benefit from selecting Mathematical Studies as an enrichment.

Course groupings will be done after the Feb 1st deadline based on applications received. Applications received after the Feb 1st deadline will not be included in this timetabling and will only be available to applicants if they fit the groupings. Please be aware that courses selected from multiple different disciplines (as colour coded above) are less likely to fit the groupings.

Application Process Timeline:

Nov – Jan

Applications received and acknowledged.

In the event a course becomes oversubscribe places will be allocated in order of date the application received.

(The earliest applications will therefore have an advantage so we strongly recommend you apply online to reduce any time delay of receiving your application)

Feb 1st

Deadline for Applications

Course groupings for timetabling will then occur based on applications received. Though we do accept applications after this date they will not be considered as part of the timetabling so your course choices may not be available.

March – April

Interviews

Students whose application we feel need further investigation or clarification will be contacted and either an online or telephone interview will be arranged with a member of staff.

(Interviews will be required of anyone requesting to undertake four A levels)

May

Offers of places issued

The offers will be accompanied by data requests for proof of identity (for external candidates) and other school required information and permissions.

Your offer will be confirmed on receipt of these forms, subject to you achieving the required grades in August, and they will enable us to fast track your application at that time.

27th August

GCSE Results and Enrolment

All students wishing to join us should complete an enrolment form (available on our website) with proof of GCSE grades attained. You will then receive an acknowledgement of your place.

(students who may have just missed any of the entry requirements for their requested courses can request a call to discuss their course options)

Please note at this point if you have registered with us and received an offer but chose not to join us in September any information we have regarding your application will be destroyed in line with our Data Protections policy.
