WHAT CAN THE SCHOOL DO WITH THE MONEY?

Although the school is held accountable when spending the money, and has to report what the money is spent on, in theory the money can be spent on anything.

If YOU have any new, innovative ideas, please let me know.

WHAT DO WE SPEND THE MONEY ON?

TA3s in English and Maths who specifically work with PP students.

Additional Information Advice & Guidance support.

Additional support from ACE to help with attendance.

Free breakfast for FSM students.

Funding for trips and visits for PP students.

A programme of interventions such as mentoring, counseling, improving motivation etc.

Off-site provision that cannot be delivered within school.

Resources for students that non-PP students have to pay for, eg revision materials and food ingredients.

Lots and lots of other interventions and ways of supporting PP students.

WHAT'S OUR PLAN?

We have four key objectives;

To improve the outcomes for all Pupil Premium students to bring attainment in line with expected levels of progress in English & Maths.

To improve attendance of Pupil Premium students, reducing the gap between PP and non within 3%.

To improve curricular and extra-curricular engagement of students.

To improve the reading age of all Year 7 and targeted Year 8 PP students where reading age is below national expectation.
