

In March we celebrate Women's History Month and International Women's Day. Creating a great opportunity to focus on and improve the awareness of issues affecting gender equality, and to reflect on the work still needed to be done to achieve gender parity.

With this in mind, here are a few of the activities happening around school to champion gender equality.

- **Word of the week**
- **Assemblies on international women's day delivered by Hannah Wood in Y10**
- **RRR tasks for lower years**
- **Y8-10 SPHERE lessons looking at gender on screen, in sport & women who changed history**
- **Tutor activities - votes for schools on misogyny**
